Thought Leadership and Expertise

Our Founder is the founding Trustee of NGO trust “Industry Advisory Board for Data Protection” (IABDP) that aims to support government initiatives in bringing digital laws transformation and practical enactment.

Published Two best-sellers on the subject:

- 1.Laws Relating to Social Media Crimes Intermediaries Digital Media and OTT Platforms
- 2.Practical Guide to Digital Personal Data Protection Act 2023.

These books have become reference, must read by Judges, Polices, Ministries and various other departments working with Regulations pertaining to Digital laws & Data Protection Compliance.

Global Presence and Market Adaptability

Our clients are spread across geography from USA to Australia, Middle-east as well as EU.

We cater services ranging from Legal to Cyber /Data Security & Protection as well as collaborations with various overseas regulatory agencies as well as United Nations regulatory advisory committee.

Our Founder has been awarded as top Woman in the World in field of cyber-security across globe by international agencies.*

DPDPA Proposal

Vision

Contributing to Build a Cyber Secure & Data Secure Nation by enabling Industry to be Compliant with Data Protection Laws & Safeguard themselves for Cyber Crimes & Cyber threats.

Mission

Disciplined & Ethical Approach towards Cyber Crime cases & Data Protection Compliance, ensuring Actual Data Protection Compliance which is defensible in a Court of Law & stands the Legal tests.

Commercial Terms and Conditions

The above quote is in INR currency and includes cost of Services only. Taxes will be additional if any.

The above fees is quoted to do the project remotely and in case of any Travel, stay, food and other expenses arising from Client wanting site visit related to it all location will be charged extra.

Services performed by Advocate Puneet Bhasin and her team. For DPDPA project a dedicated team will be provided to each Client.

In case of a break in between the Project, Company needs to inform the same to Cyberjure minimum 2 weeks prior to proposed break.

Any changes beyond the proposed scope, are out of scope for this proposal and will be charge separately.

Any other and additional tasks are out of scope of this proposal and will attract additional cost.

Any licenses required for development, third party integrations, software will be procured on behalf of the client and billed at actual. All data security tools and cyber security tools cost at actual to be borne by Company as this will involve third party providing the cyber security and data security solutions to be installed and annual AMC for those would be applicable. This cost is not included in the above cost.

Payment Terms: All payments should be drawn in favour of "Cyberjure Legal Consulting" 100% Advance.

- **Acceptance Criteria**
The project covered under the scope of this proposal would be considered accepted once the proposed scope is implemented and demonstrated to the client. Additional requirement, if any, would be taken as a part of a separate piece of work and will follow the change request.

General Terms and Conditions

- **Scope of the project**
The given price is valid only for the Scope as defined in the proposal above for HRealty.
- **Validity of the proposal**
This proposal is valid for 2 weeks from the date of submission. Any changes to the scope, terms and conditions which Customer may include need to be renegotiated. This proposal overrides all other proposals that may have been submitted to Customer at earlier dates.
- **Project Information and Access**
 1. Customer will supply the following free of charge: 2. Information, documentation and data, in a timely manner, required to complete its obligations under this proposal.
 3. Suitable office accommodation and services to the onsite consultants, including internet access (if required)
 4. Customer will indemnify Cyberjure against extra costs incurred by Cyberjure due to: 5. Discrepancies, errors or omissions in information, documentation and data supplied by the customer whether subsequently approved by Cyberjure or not.
 6. Delays to the provision of the Software or Services caused by Customer failure to supply information, documentation, data and the Equipment.
- **Non-Disclosure**
The contents of the proposal and all the project outputs should not be disclosed to any party unless Cyberjure and Client mutually agree in writing to the same. Client will not use the contents of this proposal to get competitive bid from any other service provider.

- Non-Solicitation

By accepting this proposal, the Client agrees not to solicit any employee or personnel of Cyberjure subject to the specific terms as may be agreed between the parties eventually under the Agreement.

- WARRANTY DISCLAIMER

- CYBERJURE DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, STATUTORY WITH RESPECT TO THE SERVICES RENDERED BY ITS PERSONNEL OR THE RESULTS OBTAINED

- FROM THEIR WORK, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. IN NO EVENT SHALL CYBERJURE BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR INDIRECT DAMAGES, OR LOSS OF REVENUE OR BUSINESS PROFIT, REGARDLESS OF WHETHER IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

- Governing Law

The terms of the Proposal shall be governed by the laws of India and the Courts in Pune shall have an exclusive jurisdiction over any disputes that may arise between the parties.

- Force Majeure

Cyberjure is not responsible for delays caused by the reasons of strikes, changes in Government Regulations, labour disputes, wars, acts of God or any other such reason beyond its reasonable control.

- Liquidated damages:

In the event of delay caused in the performance of Services and/ or in the provision of the Deliverables as a result of which Go-Live date is affected &

where such delay is not caused primarily due to the act of the Client and/ or in the event that post production, a bug/ issue is identified that leads to financial loss/ customer impact & where such loss/ impact is not caused primarily due to the act of the Client, Cyberjure will not raise the extension cost for the number of weeks of delay. Company shall alert Cyberjure in advance of any delays on which Client intends to invoke penalty.

1. Provided that liquidated damages shall not be applicable for any failure of

delay, if such failure or delay is attributable to or contributed by:

2. Any force majeure events. Or

3. The acts or omissions of the Client or its agents, employees and contractors. Or

4. The Client 's failure or delay providing necessary inputs including approvals,

5. specification. Or

6. Delay due to dependency in third party (including for managed services)

reasonably beyond control of Cyberjure.

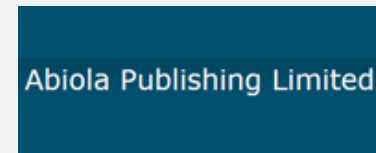

Proposal Validity

- The proposal is valid till two weeks from date of submission.
